To: MWFA Members and Fastener Industry
From: Wayne Wishnew, President

Welcome to 2019 and the start of another year of great programs from the MWFA. Our first dinner meeting will be held on February 21st with Jim Lindell addressing the MWFA and the Chicago Midwest Chapter of NASF. Our topic is Your Company Future-Opportunities and Dangers Along the Way. Our presenter will be **James (Jim) T. Lindell**, the President of a Wisconsin based provider of strategic & financial consulting, professional speaking, training, and executive coaching. Jim has an extensive background in senior management including positions as Chief Financial Officer, Corporate Controller and Corporate Assistant Controller. Jim has worked with a variety of industries including: manufacturing, health care, not for profit, distribution and food processing. He has been involved in more than 50 M & A projects.

Jim is a Certified Public Accountant with public accounting experience at several local and regional accounting firms. He is a TEC Chairman (The Executive Committee). He is a member (and instructor) of the American Institute of CPA's and the Wisconsin Institute of CPA's and a member of the National Speakers Association.

Jim is the author of "Controller as Business Manager", "AICPA's Annual Update for Controllers", "Strategic Planning: A Simplified and Workable Approach for Private Companies" and "AICPA's Controllershship: 25 Critical Lessons from the Trenches." Jim also authored and was part of the AICPA video and course, "Minimizing the Effects of a Recession on Your Business". He is a contributing author of the AICPA course "The Fast Close, Soft Close, Virtual Close? Now Days not Weeks". Jim is a 6-time recipient of the AICPA's Outstanding Discussion Leader Award.

Important information you will take away from Jim's presentations includes

- Understand the origin of all value in every company.
- How Stewardship promotes win-win relationships where many companies practice win-lose relationships.
- Understand the most practical business plan you will ever encounter.
- How to utilize a PESTLE analysis to identify critical elements of your business environment.
