

Basic Print Reading Seminar

Understanding Prints Makes for Better Sales & More Efficient Purchasing

August 22, 2023

A Fastener Education Program

Make sure you and your employees don't miss this important seminar!!

Product knowledge is crucial in the fastener industry. An important part of product knowledge is the ability to read and understand prints. As the industry continues to distribute, import and manufacture more diverse products, your company's knowledge also needs to expand.

Are you aware of the types of prints?
Are you aware of the details of a print?
Are you aware of where to find standard specs?

To increase your ability to answer these and many attend the Basic Print Reading Seminar.
